Unfortunately the Covid-19 is still spreading and now effecting everybody globally, we want to inform you that we are in close contact with all our manufacturers to follow the development.

We have taken internal necessary precautions in the current situation, amongst others:

- Increased level hygiene including hand and surfaces sanitation*
- Delay of planned travels and vacations*
- Requirement to stay at home in case of feeling unwell*
- All shipments is to be picked up and delivered at the gate, no outside suppliers nor forwarders are allowed enter into the office or storage area.*

We are increasing our stock to prevent any delays as much as possible.

We still have to recommend you all to add a couple of weeks in your purchases so we can keep your requested delivery times.

If there is any subsequent change we will keep you informed.
